Women in STEM

Virginia Air and Space Museum

Saturday, March 7th
10:00 a.m. to 2:00 p.m

Join us and learn about women in history who have laid groundwork for the future of STEM. Together we will celebrate these women and explore their STEM ventures.

Bring The Story To Life

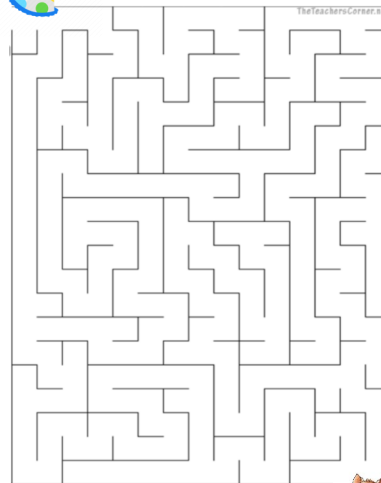

In the book *If You Give A Pig A Party* by Laura Numeroff, pig is planning a party for her friends. Party hats are an important part of having a party. You can create your own party hat word matching game by writing sight words on party hat shapes and working with your child to match the words.
