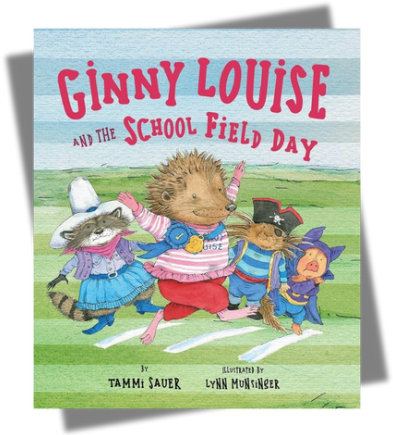
Mayor's Book Club Newsletter

March 2025 **Edition 158**

The Mayor's Book Club is pleased to present our Book-of-the- Month for MONTH:



Ginny Louise and the School Field Day by Tammi Sauer

It's Fun and Easy!

Ginny Louise and the School Field Day by Tammi Sauer is a wonderful book about field day at Ginny's elementary school.

Tip #1 – Ginny Louise is an adorable character who loves her elementary school and even more so—field day. The story has many physical activities and team sports that many children adore. The story will come to life for many readers.

Tip #2 – There are many animals featured in the story and within the illustrations. It can be a great deal of fun to identify them and give them unique personalities and voices.

Tip #3 – The story shows how a good spirit and humor can go a long way in increasing morale. Speaking with children and families about fairness and kindness and example of how this may look day-to-day.

Ginny Louise and the School Field Day

Did you know?

Field Day is one of the most exciting events of the year for students! It's a special day that lets everyone know the school year is winding down and that it's time to have some fun together. Imagine recess and gym class combined into a full day of games like tug-of-war, four square, and basketball—how awesome is that? If some students want to take it easy, they can kick back and relax instead.

Field Day is such a great experience because it encourages everyone to be active, works on teamwork, and helps build friendships. Plus, it creates wonderful memories to cherish! It's the perfect chance for students to enjoy a break from the usual classroom routine while celebrating the end of the school year.
